The Examiner further states that the phrase "NES1 protein ... or activity" renders the claims indefinite, and that the "specification does not define NES1 protein activity and one of ordinary skill in the art would not [know] what it is" (Office action at page 6).

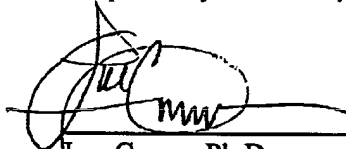

Applicant has removed the term "or activity" from the claims. Accordingly, this ground for rejection should also be withdrawn.

CONCLUDING REMARKS

Enclosed is a check for \$475 in payment of the Petition for Extension of Time fee.
Please apply any other charges or credits to deposit account 06-1050.

Respectfully submitted,
